

## **LED100PIRWH 8W LED Energy Saver PIR Floodlight - White**

Introducing the new range of LED outdoor lighting from Timeguard. They give instant brightness just like halogens, but they are under half the size – and using a fraction of the power. Meet the next generation of Energy Saving Outdoor Lighting.

- Powerful 8W LED Energy Saving PIR Floodlight – equivalent to 100W incandescent lighting with only 10% of the running costs\*.
- Pan and tilt light aiming adjustment.
- Light on times adjustment 5 seconds to 10 minutes.
- Optional mode settings – Dusk to Dawn and Test mode.
- 140° PIR detector (pan only) within adjustable 180° range and 10m detection range.
- Lux (light level) adjustment – Day to Night (2 to 200 Lux – permanently 'ON' when at max).
- Operating temperature -20°C to +40°C.
- Ideal for both indoor and outdoor installations.
- IP44 weatherproof rating.
- Exit 'ON' feature.
- Easy installation with Fast-fix terminal block connection.
- RoHS compliance.
- **Part No. LED100PIRWH**

## **LED100FLWH 8W LED Energy Saver Floodlight - White**

Small & powerful, only 16.5cm high, the new generation LED Energy Saving Floodlights are instantly bright like halogen lighting but under half the size!

- Powerful 8W LED Energy Saving Floodlight – equivalent to 100W incandescent lighting with only 10% of the running costs\*.
- Pan and tilt light aiming adjustment.
- Instantly bright like halogen lighting but under half the size.
- Operating temperature -20°C to +40°C.
- Ideal for both indoor and outdoor installations.
- IP44 weatherproof rating.
- Easy installation with Fast-fix terminal block connection.
- RoHS compliance.
- **Part No. LED100FLWH**

## **LED200PIRWH 2x 8W LED Energy Saver PIR Floodlight - White**

Introducing the new range of LED outdoor lighting from Timeguard. They give instant brightness just like halogens but they are under half the size – and using a fraction of the power. Meet the next generation of Energy Saving Outdoor Lighting.

- Powerful 2x 8W LED Energy Saving PIR Floodlight – equivalent to 200W incandescent lighting with only 10% of the running costs\*.
- Pan and tilt light aiming adjustment.
- Light on times adjustment 5 seconds to 10 minutes.
- Optional mode settings – Dusk to Dawn and Test mode.
- 140° PIR detector (pan only) within adjustable 180° range and 10m detection range.
- Lux (light level) adjustment – Day to Night (2 to 200 Lux – permanently 'ON' when at max).
- Operating temperature -20°C to +40°C.
- Ideal for both indoor and outdoor installations.
- IP44 weatherproof rating.
- Exit 'ON' feature.
- Easy installation with Fast-fix terminal block connection.
- RoHS compliance.
- **Part No. LED200PIRWH**

## **LED200FLWH 2x 8W LED Energy Saver Floodlight - White**

Small & powerful, only 16.5cm high, the new generation LED Energy Saving Floodlights are instantly bright like halogen lighting but under half the size!.

- Powerful 2x 8W LED Energy Saving Floodlight – equivalent to 200W incandescent lighting with only 10% of the running costs\*.
- Pan and tilt light aiming adjustment.
- Instantly bright like halogen lighting but under half the size.
- Operating temperature -20°C to +40°C.
- Ideal for both indoor and outdoor installations.
- IP44 weatherproof rating.
- Easy installation with Fast-fix terminal block connection.
- RoHS compliance.
- **Part No. LED200FLWH**

## **LED100PIRB 8W LED Energy Saver PIR Floodlight - Black**

Introducing the new range of LED outdoor lighting from Timeguard. They give instant brightness just like halogens but they are under half the size – and using a fraction of the power. Meet the next generation of Energy Saving Outdoor Lighting.

- Powerful 8W LED Energy Saving PIR Floodlight – equivalent to 100W incandescent lighting with only 10% of the running costs\*.
- Pan and tilt light aiming adjustment.
- Light on times adjustment 5 seconds to 10 minutes.
- Optional mode settings – Dusk to Dawn and Test mode.
- 140° PIR detector (pan only) within adjustable 180° range and 10m detection range.

- Lux (light level) adjustment – Day to Night (2 to 200 Lux – permanently 'ON' when at max).
- Operating temperature -20°C to +40°C.
- Ideal for both indoor and outdoor installations.
- IP44 weatherproof rating.
- Exit 'ON' feature.
- Easy installation with Fast-fix terminal block connection.
- RoHS compliance.
- **Part No. LED100PIRB**

## **LED100FLB 8W LED Energy Saver Floodlight - Black**

Small & powerful, only 16.5cm high, the new generation LED Energy Saving Floodlights are instantly bright like halogen lighting but under half the size!

- Powerful 8W LED Energy Saving Floodlight – equivalent to 100W incandescent lighting with only 10% of the running costs\*.
- Pan and tilt light aiming adjustment.
- Instantly bright like halogen lighting but under half the size.
- Operating temperature -20°C to +40°C.
- Ideal for both indoor and outdoor installations.
- IP44 weatherproof rating.
- Easy installation with Fast-fix terminal block connection.
- RoHS compliance.
- **Part No. LED100FLB**

## **LED200PIRB 2x 8W LED Energy Saver PIR Floodlight - Black**

Introducing the new range of LED outdoor lighting from Timeguard. They give instant brightness just like halogens but they are under half the size – and using a fraction of the power. Meet the next generation of Energy Saving Outdoor Lighting.

- Powerful 2x 8W LED Energy Saving PIR Floodlight – equivalent to 200W incandescent lighting with only 10% of the running costs\*.
